Pastor Jorge & Family - Visit in May

Lord willing, as plane tickets are purchased and final details are worked out, East Brent will have the opportunity to meet one of our church planting missionaries during the month of May. Pastor Jorge Santiago is a native of Comerío, Puerto Rico. Saved from his sin while in the states in 2012, he felt the call of the Lord to go back to his home and share the gospel. Today, he pastors One Church in Comerío. He and his wife Rebecca are raising two beautiful children. Last summer nine East Brenters served at One Church doing physical work and evangelism during their week-long trip. This August, we plan to send a team of 12 to serve Pastor Jorge in a church plant about 15 minutes away in Cidra. Pastor Jorge will share more with us about this work and will preach for us in the Sunday evening service when he comes. Please join us in praying for his family as they plan to visit us next month!

The Lord's Supper will be celebrated this month on April 7

Staff Spotlight

Shelby Witter

Media/Events Intern

Hello! I'm Shelby, and I am so thankful to be on staff here assisting Mary and to serve God with you all at East Brent! I was born and raised here in Pensacola, and God saved me when I was about seven years old. He has immensely blessed me with a Godly family that loves and serves Him, and they have taught me how to love and serve Him in turn. I've been a church attendee from the womb, and have been able to watch my parents serve faithfully in the churches God has called us to be a part of throughout my life. I have been blessed with the opportunity to watch my parents serve Him in this way, and God has planted a desire in my heart to serve similarly in the whichever church He calls me to go.

I was privileged to attend a Christian school from elementary through my senior year, and God put several Godly teachers in my life that loved me and taught me more about God. While in high school, I had the opportunity to mentor a group of middle school girls, and I was also able to help out in a fourth grade and a pre-k class. Being able to do that sparked a desire in me to become a counselor; so I am studying in this field in college currently.

I will be graduating from UWF with a Bachelor's of Science in Psychology next May, and I will continue my schooling by pursuing a Master's degree in counseling, though I have not decided on which university to attend for that yet. I hope to become a children's counselor (Pre-K through 12th grade), but I want to be able to help out as many people as I can, no matter their age. I am super excited to see where God leads me and how He will use me in the years to come!

23 for all have sinned and fall short of the glory of God,
24 and are justified by his grace as a gift, through the redemption that is in Christ Jesus,
25 whom God put forward as a propitiation by his blood, to be received by faith.
